Patriot Equities adds \$140 million in properties

■ Patriot Equities, a Wayne firm that buys corporate real estate, said it had acquired \$140 million in offices and factories in South Carolina, Florida, Virginia, New York and Rhode Island. The firm owns 16 buildings with 1.5 million square feet of rentable space. Patriot, which organized a year ago, said it intended to buy an additional \$150 million in corporate real estate by the end of the year.
